Ofsted

We are pleased to inform you Monty's Daycare received a GOOD outcome during our inspection on Monday 13th July. Our report is available to read online and we also have copies of the report available to view on the parents boards in each room.

We would like to say well done to all the staff at Monty's for all their hard work and dedication to the setting to maintain a high standard of care for all the children and families who attends Monty's.

This is still happening... PLEASE!...

PARENTS/CARERS PLEASE TAKE NOTE

Nursery Security

Please ensure when you arrive and depart you **Close all gates securely behind you.** Also please be reminded; parent/ carers **are not permitted** to allow entry to any other person- it is important that the staff can account for who is entering/ leaving the grounds. If you are unfamiliar with any person please **do not** allow them entry to the nursery.

Thank you.

Staff Updates

- Congratulations to Jodie who had her little girl Ava on Thursday 23rd July, both doing well and we look forward to them coming to visit us all soon,
- Congratulations to Sam and Chantel who have now completed their full NVQ3 qualifications!

Pre-School corner

We would like to thank you all for attending Preschool's Sports day and making the day so enjoyable.

We would also like to thank all of the leavers and their parents for the lovely toadstools they brought for our garden; we are all looking forward to using them.

The book of the month is 'Mickey and the Beanstalk'. The children have already explored what might be at the top of the beanstalk. We will be continuing activities relating to the book for the rest of the month which will include making the beanstalk!

Please could you bring in any old boxes, cartons and bottles so they can be used for the children's junk-modelling.

If you have any old mobile phones, telephones or laptops which you could bring in for the children to use for their imaginative play in their role-play area.

In the next month the Preschool team will be creating a 'Parent Feedback' board; and will soon be sending letters home asking for your contributions.

Preschool will also be starting a nature project, looking at the plants and the environment around them; with trips to the garden centre too!

Funding will recommence Tuesday 1st September 2015 for the Autumn term.
